LOUIS BRUNO
Superintendent

Louis Bruno

It is our responsibility, students and faculty together, to keep Pullman High School on a high plane of achievement. For us to adopt and be satisfied with mediocre standards is to dilute our school and our lives. A strong character and a strong willingness to advance have always been prime characteristics with the American people. Such qualities are at a premium now.

LOUIS BRUNO

Faculty

OSCAR E. GLADISH
Principal

Mr. Gladish came to Pullman High and saw the need for something more than the faculty rule. So he started Student Government. It has worked so successfully that many schools have patterned their student government after the one at Pullman High.

Mr. Gladish is also a well known orator, belonging to the Toastmasters Club and this year he won the regional contest.

Class Of '48

The senior MEN and WOMEN in their first year of high school started off with a burst of activity, earning for themselves an honorable name. From the time they suffered through the Senior Reception until they themselves became Seniors, they have been an enterprising and active group. In their Sophomore year they won the Soph-Frosh supremacy contest. The class's candidates for Carnival Queen have won three years out of four. Last fall their candidate for the county beauty contest went to the top, which has made it the class of beautiful women.

As Juniors they produced the play "Hobgoblin House", which will long be remembered and talked about as one of the greatest mysteries ever produced. They produced the three-act comedy "Bachelor's Wife" as Seniors.

CLASS OF '49

"The '49-ers" have been a very active and outstanding class. They won first place in the Booster Parade float contest in their freshman and sophomore years, and second place this year. Their candidate for Queen won in their sophomore year. The class sponsored the 1947 Junior Carnival, the annual Junior-Senior banquet and the all-high play "Spring Green".

Their new ideas and leadership ability marks them as one of the strongest classes P.H.S. has had.

CLASS OF '50

The class of '50 has ended its second year of high school with a remarkable record. Among achievements the class took tops in the Booster Parade, and gave the freshmen the annual Soph-Frosh party which turned out to be a great success. It is an energetic group which will undoubtedly bring fame to P.H.S. in the years to come.

Class of '51

The Class of '51 is an unusual group indeed — it overpowered the sophomores in the Soph-Frosh Supremacy contest and the two have been battling ever since.

The so-called "lowly Frosh" can be depended upon to bring renewed spirit into the school in the future years.

The Freshman class is one of which the whole high school can justly be proud.

FOOTBALL

Football

Clifford Moffitt, this year, assumed the football, basketball, and baseball coaching of the Pullman Greyhound teams. Mr. Moffitt came to Pullman High with an excellent record from Troy, Idaho, after he had graduated from W.S.C. Coach Moffitt had a hard-fighting football team last fall, his basketball team was a well-coached team and his baseball team was in there pitching all the time. Mr. Moffitt has won the respect of his players, high school students, faculty, and townspeople. Coach Moffitt is preparing for future seasons by having strong junior varsity teams.

Summary of Games

PULLMAN 0 - DAYTON 6

The Greyhounds and the Bulldogs fought a defensive battle most of the game with neither team penetrating deeply. With only a minute to go, a Dayton end snatched a pass out of three Greyhound hands for a touchdown.

PULLMAN 7 - WEST VALLEY 12

West Valley scored in the second quarter and remained with a 6-0 lead at the half. The Greyhounds got underway in the third quarter by scoring a touchdown and converting which put them in a 7-6 lead. West Valley plowed through the mud and scored with two minutes to play.

PULLMAN 25 - POTLATCH 0

Scoring on intercepted passes and completed passes, the Greyhounds came through the mud in a grand performance. After fighting fairly evenly through the first half, with Pullman ahead 12-0, the Greyhounds broke loose in the second half and completed several passes for the tallies. Potlatch never seriously threatened our goal.

PULLMAN 26 - LEWISTON 7

A seemingly strong Bengal team drove for a touchdown before the pigskin changed hands. But the undaunted Greyhounds came back to knot the score 7-7 at the half. The second half was all Pullman's. Lewiston did not penetrate into Greyhound territory in the second half. Pullman swelled the score with intercepted passes and smart plays in this upset.

Bill Johnson and Sam Langmas were honored by their teammates by being elected co-captains. The American Legion presented an award to Sam Langmas for being "Best Lineman of the year". Al Hatley, for his outstanding blocking ability, received a gold watch band.

Summary of Season

The Greyhound gridders came through a successful season by losing four games and winning four games. They ended up in third place in the Bi-State league behind Clarkston and Dayton in conference play. These two defeats were decided in the final minutes of the contest. The Greyhounds displayed their best ability when they trounced Lewiston 26-7 in an upset. A Potlatch team was snowed under by a second-half splurge of the Greyhounds to the tune of 25-0. The 1947 season was one of the finest football seasons in recent years. This may point to the calibre of future Pullman High School teams.

PULLMAN 8 - CENTRAL VALLEY 26

Pullman took the lead at the half-time when Langmas recovered a fumble behind Central Valley's goal. The Central Valley Bears seemed to be unstoppable in the second half when they romped over Pullman to score three touchdowns.

PULLMAN 19 - MOSCOW 6

The Hounds closed their season by handing the Moscow Bears a 19-6 drubbing. Pullman had a 12-0 half-time lead. The bears made their touchdown of the season in this game, but the weaker Bears never threatened again their cross-the-border rivals.

Games

Pullman 13—Colfax 0

Pullman took advantage of the breaks in this season opener. Johnson ran 57 yards for one touchdown and 22 yards for the second. The heavier Bulldogs threatened the Pullman goal only once when they marched to the 12-yard line, but Pullman dug in and held.

Pullman 12—Clarkston 14

The Greyhounds had a 12-point half-time lead, after two touchdowns, one by Ailor and a Johnson to Staley pass for another. The Bantams came back furiously and scored in the third quarter. With one minute to play, a Bantam ran 75 yards for a touchdown. Both conversions were made and resulted in the margin of victory.

FIRST ROW: Coach Mattila, Carl Muir, Dale Keifer, Eldon Wegner. SECOND ROW: Gordon Prouty, Rodger Sayles, Eugene Semingson. Camera Shy: Richard Lee and Don King.

For the first crosscountry team in Pullman's athletic history, Coach Bob Mattila produced an excellent squad. The team composed of 7 members got third in a Clarkston meet contending against Lewiston, Clarkston, Moscow, and North Central from Spokane. The harriers lost a meet to Lewiston, and beat Clarkston and Moscow each by three points. One of Pullman's leading runners was Carl Muir who took second place honors in two meets and the highest of any Pullman entry in the other meets. Muir was followed closely by Richard Lee, Donald King, Rodger Sayles, Eugene Semingson, Dale Keifer, and Eldon Wegner. These runners will greatly add to Pullman's 1948 track team.

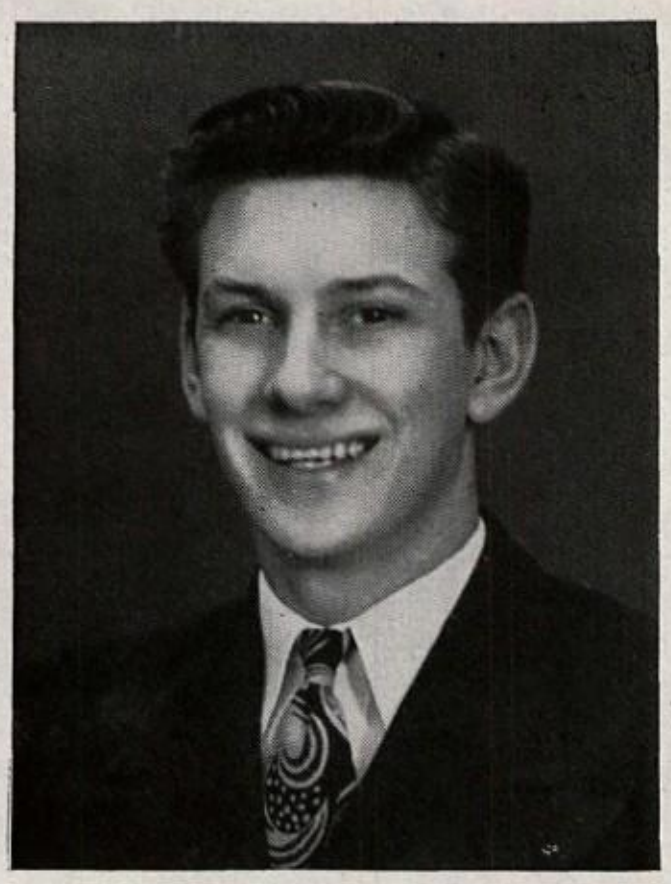
P.H.S.S.A.

The Pullman High School Student Association is composed of the students of Pullman High School. It meets every other Friday and although some of the motions are frivolous, such as pensions for Senior Men, it usually is quite serious. P.H.S.S.A. is the final place where a case may be appealed.

This body may instruct the Executive Council to do something and if it isn't done can have the members removed.

P.H.S.S.A. Officers



EUGENE SEMINGSON

The P.H.S.S.A. officers this year are headed by Eugene Semingson. Eugene is well known for his speaking ability and his knowledge of Parlimentary Precedure. Before becoming President Eugene was a Councilman, F.F.A. President, and held numerous other positions in Student Government.

Executive Council

It is the belief of many that student government has reached an all time high at Pullman High School this year. If this is true much of the credit should go to the Executive Council, for in its work with the P.H.S.A., Forum, and other student organizations, it is the "head" of our student government.

Some of the regular duties of the Council are to schedule school events, approve chartered organizations' budgets, keep the grants of power up to date, handle appeal cases, and appoint the Student Control, Fire Patrol, Athletic Council, Debate Committee, Social Relations Committee, and the staffs of the KAMIAKIN and the HI TIMES.

Forum

PAUL PALMER
President, First Semester

MERRILL EBNER
President, Second Semester

The Forum is an organization of the P.H.S.S.A. formed to represent, formulate, and express student opinion. This group gives the students an opportunity to express their views on various phases of student government and activities and to make recommendations for improvements. It also has the power to recall any member or members of a student organization not doing their job well.

The Forum had a very successful year and accomplished a number of services for the school. One of their main victories was, however, that they brought about a realization of the importance and necessity of such an organization.

It is composed of two representatives from each home room, a secretary, and a president.

FIRST ROW: Betty Jean Johnson, Doris Cook, Barbara Johnston, Helen Olson, Eleanor Dudley, Donna Rae Lee, Vivian White, Nora Butterfield. Athletic Council

The Athletic Council is an organization created by the Executive Council to handle all athletic affairs. Its chief duties are to regulate the use of the gymnasium, check and approve the use of funds of the athletic department, discuss the proposed athletic enterprises of the various organizations, arrange for the transportation to and from all athletic events, and appoint all athletic managers. The chairmen were Merrill Ebner and Wally Friel.

Social Committee

This year Jeannine Boone and JoAnn Stone represented the student body at the meetings of the Social Committee. The duty of this organization is to regulate school social activities of different organizations during the year. This committee is composed of two faculty representatives, a representative of the P-T.A., two student representatives, and a chairman.

Council Assistants

The four council assistants gave much time to the handling of tedious executive details. Joan Steiner as Deputy Treasurer did her share of the difficult treasurer's job. Earl Muir kept the Council ordnances up to date. Bob Campbell carried out the duties of Business Manager, and Bob Osburn stood ready at all times to operate the P. A. System at P.H.S.S.A. meetings, dances and social events.

Fire Patrol

This year's Fire Patrol was led first semester by Paul Hooper and second semester by Paul Palmer. The Fire Patrol has complete jurisdiction during fire drills. The patrol has three chief duties. They are (1) to prevent the fire, (2) in case of a fire or fire drill, to see that the personnel of the school exists properly, and (3) know how to extinquish the fire.

The Fire Patrol has accomplished much this year and its importance cannot be overlooked.

This year's Social Relations Committee was under the leadership of Betty Hughes and Zoe Ann Haeder. The committee is composed of nine members who represent the different organizations of the high school, including each class—Girls' Federation, Pep Club, Letter Club, Forum, Hi Times, F.F.A., and the Student Control.

The functions are to stress those courtesies and responsibilities that maintain good relations between students, students and teachers, and students and townspeople.

Even though they had a few bad nights, the Greyhounds came through a very successful season. They won 15 games and lost 8. The high scorer was Al Hatley who during one game made 22 points. The Greyhound cagers illustrated their power to come from behind and win in several games. They ended the distdict tournament at Walla Walla by beating Clarkston and Wenatchee. This was the first time in about 16 years that the Greyhounds have been entitled to go to the state meet in Seattle. The team got a tie for 9th place in the State meet by defeating Olympia and losing to Bremerton and Lincoln.

Next year the team will have several returning lettermen and they should expect to be a good team next season.

The Concert Band displayed talent during many programs and received a Superior rating from all three judges at the Music Festival Competitions in Spokane in May. It also played for the Spokane Lilac festival parade.

The Play

The senior class production, "Bachelor's Wife", which was directed by Mrs. Martha Knight, was about a young, unsuccessful writer, Harold Claypool, who had bluffed his father into thinking that he was married and had a child so that his father would send him money. His father wired that he was going to visit him so he talked his best friend into dressing up like a woman and posing as his wife. The father sensed that something was odd and was very angry when he found out the whole story, but when Harold got a check from his publisher he was forgiven.

In this ninth volume of the KAMIAKIN, we have tried to include within these pages a few memories of some of your happiest days. Of course, it is impossible to embrace in a single volume all of these wonderful incidents that occur. But nevertheless we hope you will enjoy the first reading and each reading thereafter.

Reporters

The Reporters play an important part in the running of a newspaper and so it is with the HI TIMES. They gather the news on regular "beats" and also spot news. It is from these ranks that future editors come.

Quill and Scroll

Quill and Scroll is an International Honor Society for High School journalists. Its purpose is to create enthusiasm and interest in high school journalism.

Pullman High School's Edward R. Murrow Chapter, publishes "The Manuscript", a collection of the students' poems and stories, annually.

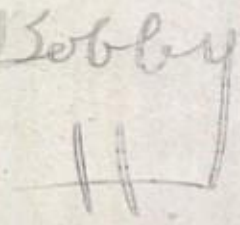
Bobby



Track

This year with new men and many returning tracksters, Bob Mattila is looking for a better season. Mr. Mattila has been coaching track at Pullman High for a good many years. He has had some fine teams, but since the war there has been no one with experience, but the teams are progressively showing more power and speed.

ROBERT MATTILA

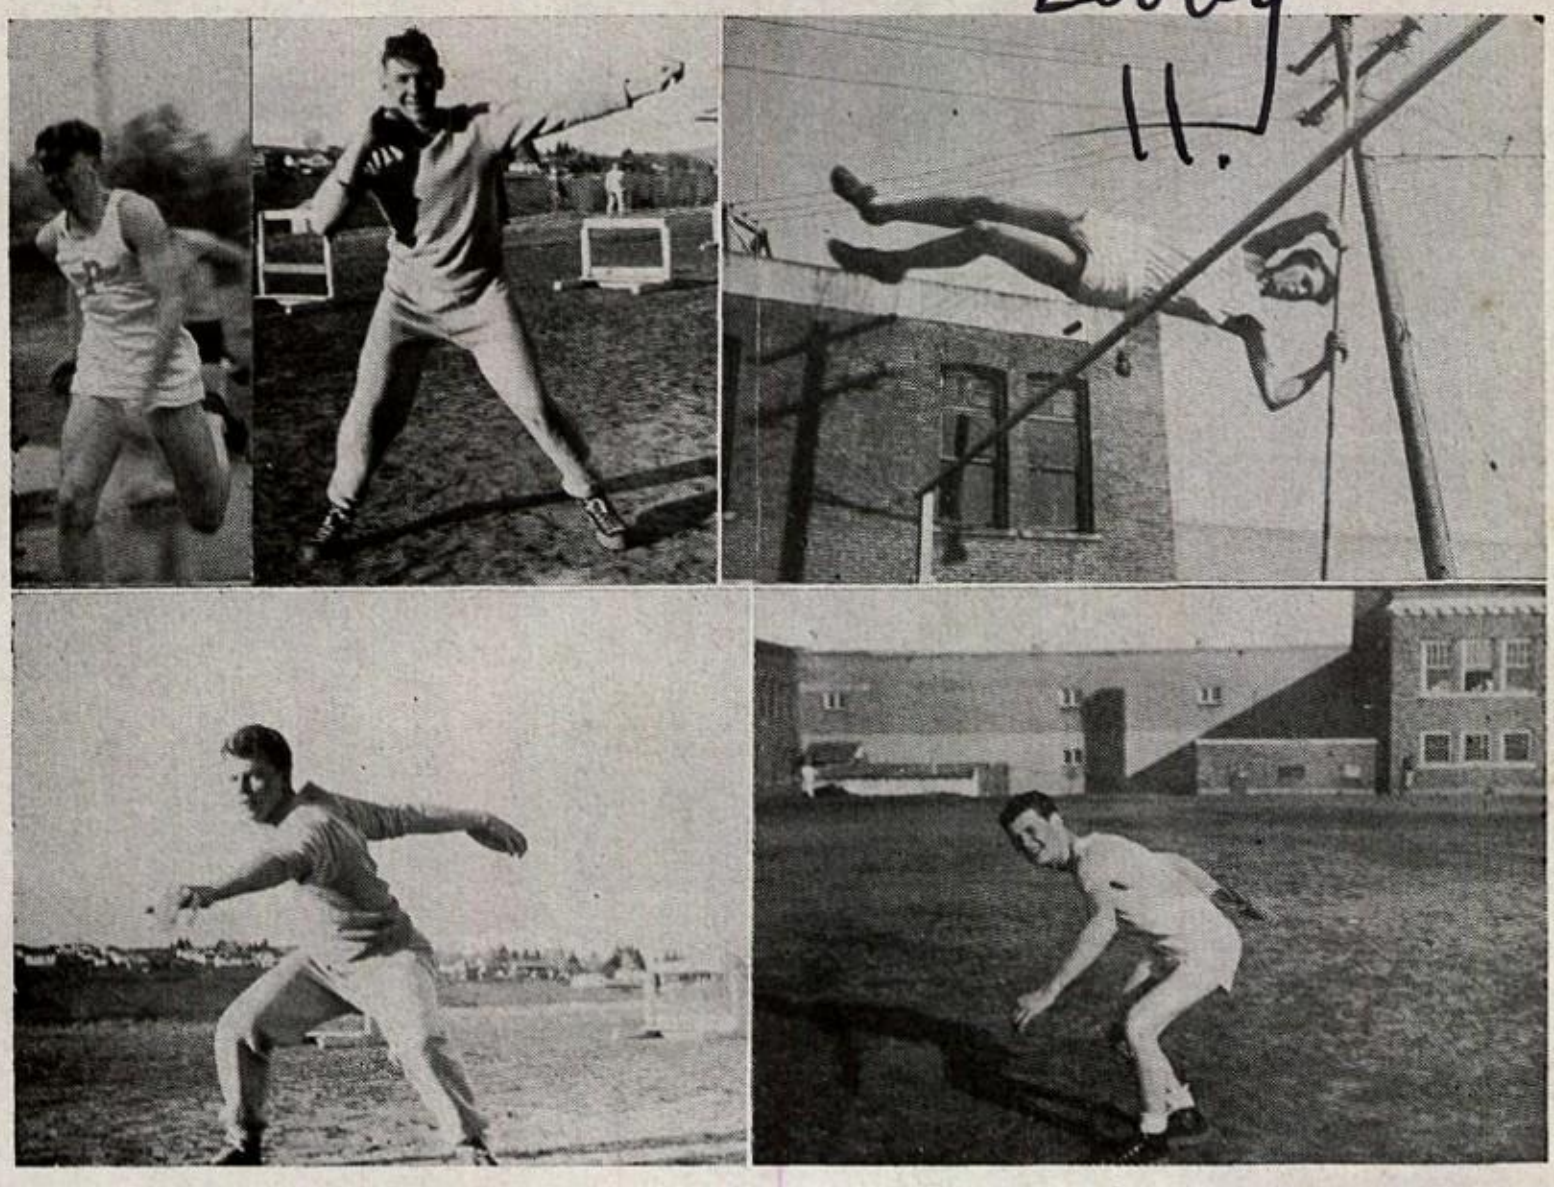
FIRST ROW: Richard Webb—Senior Manager, Richard Lee, Bob Hinrichs, Howard Kimble, Bob Butler, Gene Robertson, Tom Campbell, Bob Beppler, Rickey Sprague—Junior Manager. SECOND ROW: Joel Zappalo, Bruce Masson, Norman Ingram, Jim Shea, Norman Moss, Don King. THIRD ROW: Rodger Sayles, Tom Barker, Frank Percy, Jerry Kennedy, Dale Keifer, Clifford Oldham, Frank Zabawa. FOURTH ROW: Jim Pyle, John Morre, Bob Campbell, Sam Langmas, Coach Mattila.

Track '47 Season

The 1947 track season was weak in the pole vault and high jump. They were able to show up fairly well in the weights, hurdles, sprints, and distance running. The county meet saw Carl Muir take 3rd in the mile, Frank Zabawa got 1st in the discus throw, Bob Merriam got 1st honors in high and low hurdles, Tom Blankenship got 1st in the shot, Larry Lee 2nd in javelin throw, Bob Campbell 2nd in 440, and Paul Gass was 3rd in the 100 yard dash.

Track '48 Season

Coach Bob Mattila and his trackmen have a very stiff season this spring. In all they have 8 meets. Mattila has several returning lettermen and the cross-country boys to add to his team. The harriers are gunning for the county meet and the championship. They will not have any home meets because of flood damage to the track.



FIRST ROW: Ken Brown—Manager, Russell Zakarison, Paul Steffel, Ronnie Groth, Wayne Christian, Ken Ailor, Larry Kennedy, Fred Sodorff, Jim Aaring, Coach Moffitt. SECOND ROW: Bill Finch, Al Hatley, Carl Muir, Wally Friel, Chuck Brock, Jim Wiley, Bert Baldwin, Bob Bashaw. Baseball

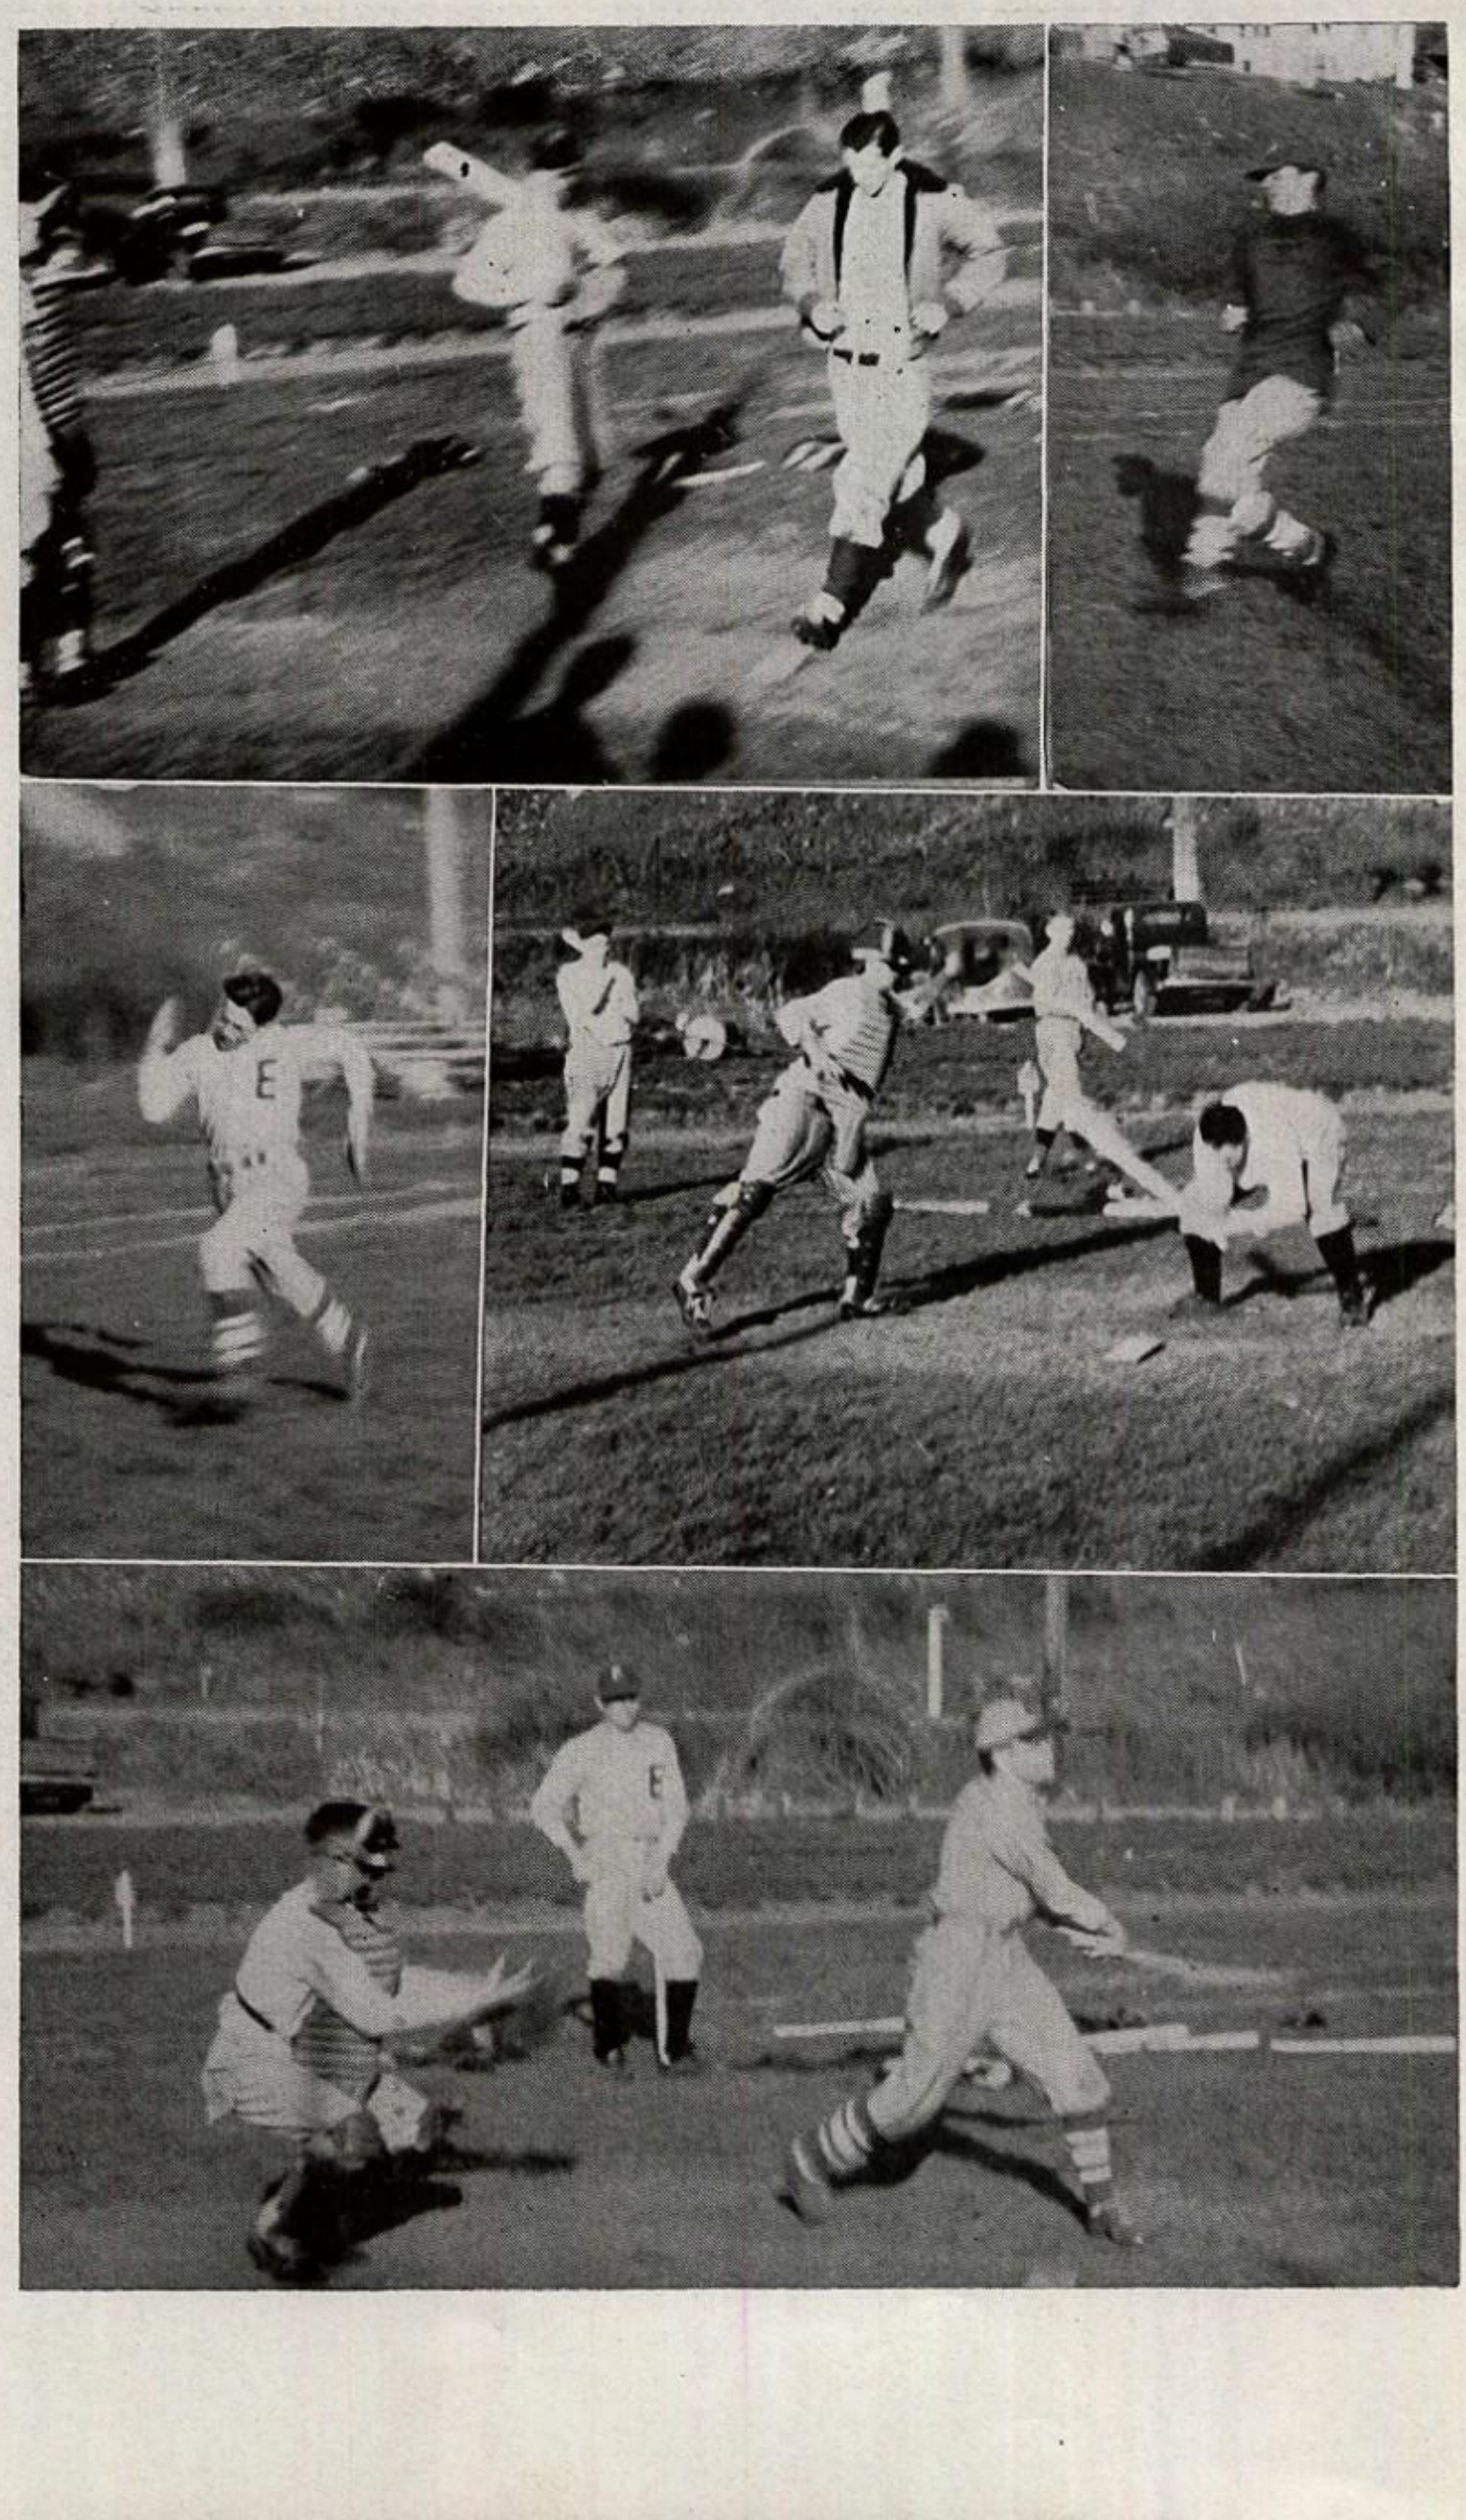
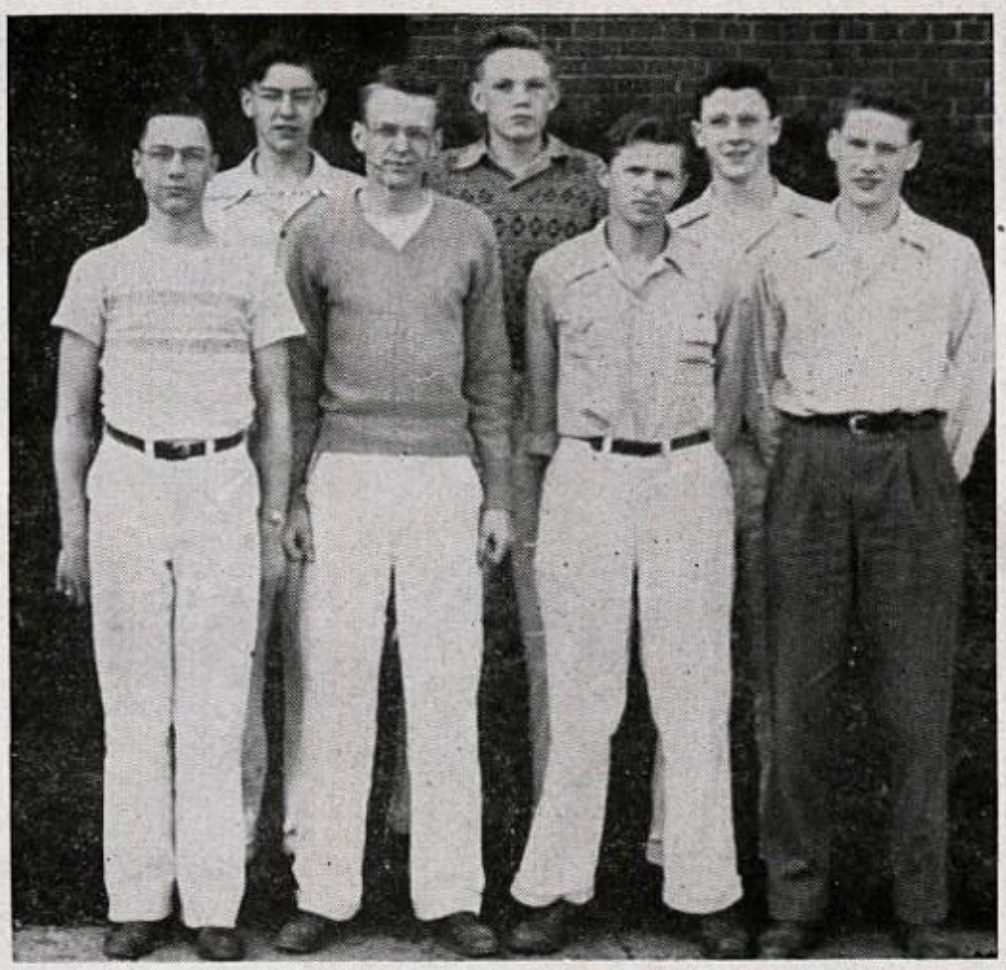
Pullman High School's first baseball team was organized this spring by Coach Cliff Moffitt. The Greyhounds were greatly hindered at the beginning of the season because of bad weather and a poor field. Coach Moffitt had 2 teams who played in intra-squad games. There were about 30 boys turning out at the beginning of the season. Later in the season the Greyhounds became a more organized team after having more fielding and hitting practice.





FIRST ROW: Howard Kimble, Lee Olson, Richard Webb, Leland Ham. SECOND ROW: Ricky Sprague, Emil Pike, Dave Lowery, Absent, Chester Hewes.

Managers

The students who get the least credit for their services for athletics are the Managers. The managers for football were Lee Olson and Howard Kimball; the basketball managers were Leland Ham, Dave Lowery, Chester Hewes; the track managers were Richard Webb, Emil Pike, Ricky Sprague; the baseball manager was Ken Brown. The managers have to be on their toes all the time to meet all the teams' needs. The managers sit on sidelines but they are very essential to all athletics.

The Play

"Spring Green", a three-act comedy presented by the junior class and directed by Mrs. M. Knight, was about a high school boy, T. Newton Todd, who was interested only in experimenting with worms and most of the time he seemed very queer. All the high school kids teased him until one of the fellows' pretty sister came back to town. She was very kind to him because she felt sorry for him. In the end Newton received a letter from the Department of Agriculture telling of the importance of his experimental worms and the kids started treating him as "one of the gang".

He distinguished himself in high school by serving as student body vice-president, president of the Agricultural Club, a member of the stock-judging team, a football letterman and a member of both the band and orchestra. After a short illness, he died on January 12, 1925.

The HI-Y Club of Pullman, which LaVerne helped establish, took his name for their chapter and presented the LaVerne Olson cup in his memory.

The LaVerne Olson Cup is awarded ot the senior boy, who in the eyes of the selecting committee, most nearly typifies the ideals of LaVerne Olson, whose memory inspires us to cleaner living, cleaner thoughts, cleaner speech and cleaner athletics.
